The Big Picture

- While Jehovah does not NEED fellowship, He enjoys it. He loves to work in partnerships, giving his creations free wills to bring their creativity to His purposes.
- Humans were created in the image, the nature of God. Through Adam's sin we lost it. Through Christ's death it is being restored and one day it will be completed and we will share, once again, in the very nature of God.
- This is the Greatness of the Glory of the Grace of God through Christ's death and victory over sin and Satan.
