- 1:31 – God saw that it was very good
- 2:15 – They were responsible to work it and keep it
- 3:17-19 – Because of Adam’s sin, creation would now work against man. Creation would no longer be man’s servant
- Ps.19:1 - The heavens declare the glory of God, and the sky above proclaims his handiwork. They are not god.
- Rom.8:19-24a – All creation groans longing for redemption
- 8:20 - Who subjected creation to futility?
- The fury of nature against man is not caused by climate change, but by the curse of sin.

- He will fix it when Jesus comes back.
- Don’t buy into the fear generated around climate change.

- Hope found in the redemption of our bodies
- Hope found in the promise of glorification
- Hope found in the restoration of Creation to original state
