### Times Are A'changin

- A young man speaks out on behalf of young women who are uncomfortable with a “trans male” using their washroom
- Bill C-6 bans the use of conversion therapy. Penalty 500k fine 5 yrs in prison
- Bill C-11- Internet censorship bill gives the CRTC the power to remove from the internet anything the govt. deems to be mis or dis-information.

### Times Are A'changin

- Discrimination laws were put in place to protect a minority viewpoint.
- Now that Christianity is the minority viewpoint, we find they are only for certain “minorities”.
- The young man was punished (suspended from school) to “maintain” the safety of the “trans”, they didn't like what he said.

### Times Are A'changin

- The historic, Biblical belief that God has created humans as male and female, existing in a sexual binary, and that the only good and right sexual expression is to be heterosexual and live in monogamous marriage, is now categorized as myth and stereotype in Canadian law.
